## Osterburg Area

3. On 9 March 1948, twenty-four tanks with five bogie wheels and 76.2 mm guns arrived at Osterburg. They were accompanied by six three-ton trucks laden with ammunition.
4. On 18 March 1948, two rifle regiments and one battalion of engineers arrived at Osterburg. The transport of the two rifle regiments consisted of seventy-four horse drawn carts and thirty-eight trucks. The regiments are divided into rifle companies, machine gun companies with heavy machine guns on two-wheeled carts drawn by soldiers, and 50 mm mortar detachments.

5. In the former Barbara Kaserne, between Hallescher and Ost-strasse, Naumburg, there is a signals unit of about 250 men. Besides telephone and wireless facilities they have a mobile 100-watt transmitter.
6. The Hindenberg-Kaserne in the Schönbergerstrasse is occupied by an engineer unit with bridging column.
